### **ESG** (Environmental, Social and Governance)

# Environmental Initiatives

- E-waste and Hazardous waste management have been complied with at all project sites
- Engaging with our external stakeholders - value chain partners on ESG requirements
- Cascading EHS and sustainability policy across the organization
- Continuous monitoring of water withdrawal from various sources, consumption and recycling
- Ensuring regular compliance proactively and adapting and complying with new regulations (e.g. Environmental Acts)
- Calculating Scope 1 & Scope 2 carbon emissions, energy and water intensity across projects
- Consolidating data on Environment and social indicators for our BRSR report

# Social Initiatives

- Awarded A+ Grade by the Government of Maharashtra and title of the Best Vocational Training Provider by the UK India British Council & FICCI
- Rustomjee Educate a child initiative: Every time a family buys a Rustomjee home, a child is educated for a year (More than 1,000 children educated)
- Labour welfare compliance by contractors improved from 50% to 80%
- Awareness and training on Health and Safety at sites for employees and workers
- Zero fatalities and NIL high Consequence incidents (injury / illness) reported
- Engaging virtually with our key suppliers on their ESG practices & material issues

#### Governance

Policies Implemented:

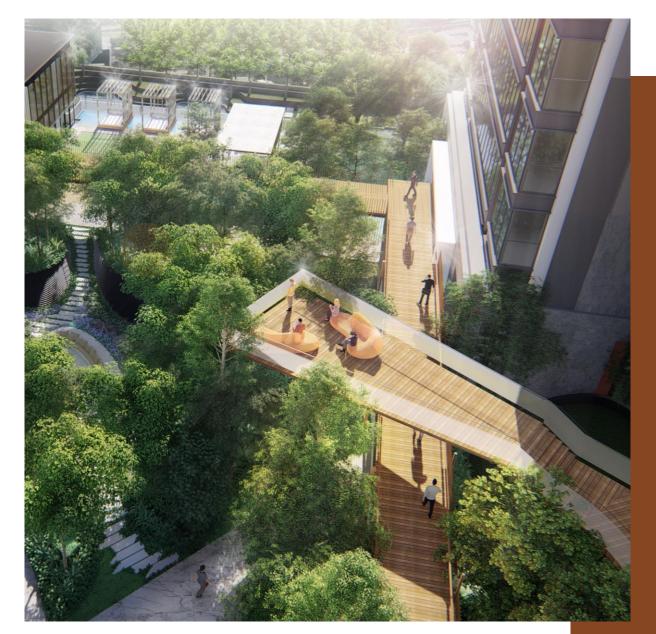

- Anti bribery and anti corruption policy
- EHS policy
- Sustainability policy
- Diversity and Inclusion
- Information Security
- Grievance management

#### Update for Q2 FY24:

- Setting KPI's for each function / department related to ESG based on material issues
- Initiated collection of data for all new and upcoming projects starting from and to include demolition, excavation and piling stages
- Initiated collation of data on Purchased goods and contractor related fuel consumption for upstream activities to calculate scope 3 emissions
- Identifying the best software for collection & calculation of ESG data for internal and external comparison and improvement
